

## **Magic Balm** from tallow

### **The “recipe”**

- 1) Melt to liquid state 1/2 c. rendered beef tallow.
- 2) Stir in 1 Tbs. Olive Oil.
- 3) If desired, add essential oils to scent.
- 4) Pour into jar and set in fridge. The faster “set” in the fridge helps prevent the fats from separating while cooling.
- 5) Enjoy.
