

Family photo in the Kitchen of the old house. Ann says it was Easter 1951.

Ann says it was Easter 1951. We were going to Grandma Barthel's.

Facing south in the Old House with our backs against the cupboards on the north wall of the kitchen.

I remember Ma taking this photo.

Ann and Pat were wearing new straw Easter bonnets.

I was trying to cross my eyes.

Baby Judy is waving.
