

The Minnesota Bison Association has its annual Show and Sale on Thanksgiving weekend.

Every year for the past 28 years.

We have attended at least 20 of those events.

Bison farmers who sell breeding stock bring their choice animals to the Albany sale barn and pens.

The bison are judged on Friday afternoon.

On Friday evening there is a Bison Banquet followed by an award ceremony.

We do not sell breeding stock; we sell bison meat to many of you.

We participate by buying animals at the Saturday Bison Sale.

Over the years our purchases have ranged from two to twenty bison.

We also sponsor two trophies.

The meal was delicious with potatoes and vegetables but mostly huge bison roasts.
